A New Steamboat.

It is given out officially by Captain Ellison, of the Hudson, that a new boat will be built to take the place of the Andes in the Pittsburgh and Cincinnati trade. B. & O. Fire Saturday.

Saturday morning about 10 o'clock an alarm from box 58 called the fire department to a blaze in the ice house at the Baltimore & Ohio yards, at the foot of Twenty-seventh street, South Side. The ice house was burned to the ground, but several adjoining buildings were by hard and efficient work saved. Sparks from a passing engine started the fire. The loss was considerable.

A Destructive Fire.

Saturday morning near Valley Grove, Leroy Alexander's residence burned to the ground. The fire which started in a room in the second floor, was discovered about 2 o'clock, and it was with difficulty all the members of the family escaped from the burning building. Very little of the furniture was saved, and the loss will aggregate at least \$3,500. The origin, though unknown, is supposed to be from a defective flue.

Signal Flags Again.

Saturday the government signals were again flung from the staff on the Reilly block by Mr. G. Schneff, the druggist. The first displayed was the white flag, meaning clear weather, and the blue triangular beneath it, indicating cooler. Both came out very true yesterday. The blue flag indicates rain or snow, the half white and half blue one local rains, and the white one with a blue square in the middle cold wave. The triangular blue flag means warmer if placed above another flag, and cooler if placed below, and that is all there is of the very simple system.

TO BE CARED FOR.

The Scott Case of Destitution Relieved at Last.

The destitute Scott family, which moved here from Georgetown near Baltimore about ten days ago, in a penniless condition, and has since been domiciled in the Belmont pump house at the foot of Twenty-sixth street, has at last been attended to, in a way at least.

The family consists of Thomas Scott, his wife, a daughter of about fifteen who is married, three smaller children and an idiotic looking brother of Mrs. Scott. For several days they have lived on the ground floor of the pump house with no conveniences. It is doubtful that any of them have had personal acquaintance with soap and water in that time, and as a consequence all are in an extremely dirty condition.

Yesterday, through the efforts of several of the Belmont employees, including Milt Parker, rooms in the Shanks row in the Eighth ward near the Ohio River railroad shops, were secured for the destitute family, and during the afternoon their effects, not many, were packed into one of the little iron slag cars, and the entire family including the two boys were put in another. The train with its pitiful looking load then went on down to their new home.

County Commissioner Irwin, of Webster district, arrived on the scene just before the train moved away. He made an investigation and agreed to send down a quantity of groceries to the Scotts this morning.

Dyspepsia in all its forms is not only relieved but cured by Simmons Liver Regulator.

FASHION'S PANORAMA—THE HUB CLOTHIERS.

FASHION'S PANORAMA! EASTER

Has chased away the lingering days of winter and the new Spring Fashions stand rapping at your door. There never has been such a variety of attractive styles clamoring for attention, and they find their main thoroughfare through our great store. There are few communities that enjoy such perfect and complete facilities as our stock affords. You ought to feel proud of it. It is due to your encouragement and support that it has grown to such immense proportions. That we are mindful of the confidence we hold, is manifest in the satisfaction that follows every purchase. Our guarantee is a frank expression of our sincerity and a safeguard to our patrons' money, has a value. It demands a return of its equal in quality. You always get it here, penny for penny. Saturday was one of the banner days of our business career. We bow our acknowledgments of your generous patronage.

Men's \$10 Suits.

Everything has to have a beginning, but we have taken our first hold high up on the pole of quality. It makes a better impression to do more than is expected—how much better you've only to look at the lines offered by others. Nothing short of \$15 will equal ours at \$10, and we carry such a variety, and every garment positively GUARANTEED TO FIT AND WEAR.

Negligee Shirts.

We've got our line of Negligee Shirts open and ready. There isn't a store in town that carries one-half of our variety or marks quality so low. We have first class with the folks who make the best shirts and show the best patterns Madras, Oxford, Domets, etc. The cheapest are just as regular made as the best. Drop in and see the patterns, post yourself as to what is going to be worn when the hot weather comes. 25 cents to \$3.00.

Men's \$12.50 Suits.

With every dollar that goes in a suit carries its worth in value. We've a \$12.50 grade, and as comparison is the best gauge of quality, we put the suits in this grade beside those others have got marked at \$18. Theirs won't more than balance it, and to settle all questions of where to buy, we try to save money for you and give you satisfaction too.

First Communion and Confirmation Suits.

All our former efforts in the way of Confirmation Outfits have been dwarfed in comparison with this season's mammoth showing. We have every style of goods, Corkscrew, Clay Worsted, Cheviots, Tricots, etc., and every garment finished in the highest art of tailoring. A perfect fit guaranteed every time. Prices ARE RIGHT.

Men's Suits at \$15.

You might as well try to look for a needle in a hay stack as to match our \$15 Suits, ready-made or custom-made, for less than \$25. How in the world any man is content to put up with the puttering arrogance of these cheap tailors when we can offer them four times the variety, absolute perfection and save them \$10. Suppose you try us this season. Every fashionable style and every conceivable size.

Short Pants Suits.

We are expert judges of quality and what we offer you has stood the test of our careful scrutiny. Our line of two-piece Short Pants Suits begins at \$2.50, because it is safe. At \$5 you get the goodness that it takes two dollars more to buy elsewhere and so on. One novelty succeeds another here as fast as you can look at them. The Junior Suits we're showing are the little Jackets and Pants affairs to be worn with a blouse waist. It's the first step into boyhood. They are cute little affairs, dressy, neat and new.
